Mr. and Mrs. Charles J. Nine, Watercliffe, was wounded for the third time Easter day, April 1, in Germany, according to word received by his parents this morning. In a letter written from a hospital in France he stated that he "was burned on his left hand from white phosphorus from German artillery fire and got powder in his eyes." He wrote that he "was well across the Rhine river in Germany when he was wounded April 1 at 7:30 o'clock in the morning." He served with the Three Hundred and Twentieth infantry of the Thirty-Fifth division, attached to Lt. Gen, william H. Simpson's Ninth army.

In Memoriam

In loving memory of our son, Lt. Kenneth C. Bohrer, who lost his life one year ago today, April 1° 1944.

HT FREDERICK ST-CUMBERLAND

- When plane crashed in Califarnia A year ago today. All the happiness we't from our lives, As our son had gone away.
- Always happy, kind and true,
 That was our only hop
- But he was so at home with stars, And sky and clouds, we know, Heaven was fust a wings' bright length He had to go. CLARENCE AND MURIEL BOHRER.

In loving memory of our beloved husband and father, Clester Lohr, whom God called home 5 years ago; April 12, 1740.

Oh what we would give to clasp your hand father Your dear kind face to see Your loving smile, your welcome voice That meant so much to us.

In the book of life there are memories of the happy moments we've known You are gone but the memory you left us Is truly of value untold.

Sadly missed by his WIFE AND CHILDREN. 4-12-11-NT

In Memoriam

In loving memory of our son, Lt. Tenneth C. Bohrer, who lost his life one year ago today, April 1 1944. ELCAR SALES

- When plane crashed in Calif rnia
 A year ago today,
 All the happiness we't from our lives,
 As our son had gone away.
- A model son, a perfect friend.
 Our hope, our pride, our joy,
 Always happy, kind and true,
 That was our only boy.
- But he was so at home with stars, And sky and clouds, we know, Reaven was just a wings' bright length He had to go.

CLARENCE AND MURIEL BOHRER In loving memory of our beloved husban and father, Clester Lohr, hom God calle home 5 years ago, April 12, 1940.

Do not ask - if we miss him This house is such a vacant place Oft we think we hear his footsteps And - his smiling face.

Oh what we would give to clasp your hand

Your dear kind face to see Your loving smile, your welcome voice That meant so much to us.

In the book of his there are memories Of the happy moments we've known You are gone but the memory you left us Is truly of value untold. BEERMAN AUTO WRECKERS

It is likely that the erew of the first B-17 would have regarded the last of the series as a limest on the last of the series as limest on the last of the last of the series as limest on the last of the series as limest on the last of the series as limest on the last of the last of the series as limest on the last of the series of the last of the last

do was finished and behind him, and what use was there in prolonging. The first three years of the and what use was there in prolonging the futile waiting.

I did not argue. Words are useless at the quality of American precision bombing. Together with the Liberators, they have maintained and improved the world. Everybody knows what they have done to Germany and to the committee in prolonging in the futile waiting.

I did not argue. Words are useless at such a time. You feel remote and foreign and ineffective and you know that whatever arguments you bring forth will fall feebly on ears with the Liberators, they have done to Germany and to the committee.

do was finished and behind him, son were not impressed with Harding's argument.

"I never tasted federally inspected meat until I was in my twenties," scoffed Texas-bred Jones.

"Out in Kentucky we did all right without federally inspected meat." Without federally inspected meat." Without federally inspected meat. "In ever had it until I was in my twenties," scoffed Texas-bred Jones.

"Out in Kentucky we did all right without federally inspected meat." Without federally inspected meat." So I did not argue.

But I remembered a day not long past when I drove over and through the hot barren foothills of my home. Harding to task for the army's system of the committee. The hope that other soft peace discinges argument.

"I never tasted federally inspected meat." In ever had it until I was in my twenties," Soffed Texas-bred Jones.

"Out in Kentucky we did all right without federally inspected meat."

Russia and Japan was ordered by Vinson agreed. "I never had it until I was out of my then."

Representative Anderson of Albuquerque, New Mex., chairman of the committee, then took General the relations between two countries.

But now, as the war in Germany draws near its close, so does the day of the Flying Fortress. But that doesn't mean that the need for heavy bombers is ended. It means merely that the even heavier bomber is coming into its own. Hence, Japanese outposts in the Pacific. er is coming into its own. Hence-forth all Boeing plants will concen-"How terribly uninteresting!"

more can do can be imagined—and later will be known, too.

The day of the Flying Fortress is ending, but it has been a glorious prayer.) The American people are

The changeover signifies only one thing—the greatly stepped-up aerial bombardment of Japan. There was no real need for Superfortresses in the war in Europe, but there is a need for them in the campaign to knock out Japan. What 300 of them can do is known. What 1,000 or more can do can be imagined—and

"How terribly uninteresting!"

Nor did I answer her. It seemed it can at least get a little public has a hard time getting meat it can at least get a little public has a hard time getting that few of them will ever see service against Japan. They are more likely to fight in a major civil war taking 100 per cent of the poultry."

I did not tell her that hardly a week before I had passed that same week before I had passed that same heat, over those same brown, thirsty hills and he had turned to me just as she had, and said:
